Product description

Did you like how beautiful and humid it was? Eros Water Based are water-based sliding products that have a pleasant humidity, with a cooling effect. Fun and enjoyment guaranteed!

Eros Aqua Sensations is a product line that offers lubricants for all types of games and needs, in addition to our proven formulation.

Eros Aqua Sensations is a water-based lubricant that provides a pleasant, wet experience, with a cooling effect. In addition to improving the sliding quality, it also moisturizes and therefore is good for the skin.

It does not leave a trace nor is it sticky. Aqua Sensations creates a new pure, healthy and exciting sensation. We wish you a wet and happy love game.

Characteristics:

- Dermatologically tested.
- Very economical.
- Long duration.
- Suitable with latex condoms.
- Water base.
- Tasteless.
- Colorless and odorless.
- Without perfumes or oils.
- 1000 ml container.

Lube Guide

Water-Based Lube Guide

Water-based lubes can dry out during long sessions – reactivate with a few drops of water or saliva. They leave no stains and wash off easily with water.

Our selection includes hypoallergenic, pH-balanced, and organic options for sensitive skin.
