Product description

It is a natural intimate oil for women, it is sliding, lubricating, very sensual, activates passion, provides sensitivity and manages to be a true pleasure for the senses, significantly improving intimate relationships that make them more pleasant, sensual and pleasurable.

It is a natural cosmetic, very active and intelligent, composed of essential oils for the protection and intimate hygiene of women.

Its successful formulation gives its components (according to various scientific treatises) properties of hydration, protection, lubrication, reduction of inconveniences and unwanted effects such as: dryness in female menopause; allergies, irritation, itching, etc.

Pompeya oil "Orgofem" intimate oil also provides softness, elasticity, smoothness, satisfaction and well-being of the intimate area. Pompeya oil has no contraindications and covers the intimate protection and hygiene needs of women.

Pompeya oil has been created in order to minimize the discomfort and inconvenience that women suffer daily in their intimate area, whether due to inappropriate clothing, pads, odors during menstruation, dryness during menopause or any intimate alteration.

Method of use: Any woman and any age can apply it to the intimate and perineal areas, before and after intimate relations; In addition to being an intimate oil for pleasure, it has proven to be very effective in all symptoms (itching, stinging, dryness, odor, etc.). It is also an excellent slider.

Its action is fast, it can be applied several times a day to the affected area and almost immediately you get an extremely pleasant sensation.

- Presentation: It is elegant, practical and comfortable, with a 50 ml dosing dispenser.
- Product suitable for vegans.
- Product free of parabens and paraffins.

Composition of Oleum Intimo POMPEYA Ingredients:

Triticum vulgare germ oil, Chamomilla recutita flower, Cocos nucifera oil, Isopropyl myristate, Calendula officinalis flower, Fragrance, Prunus persica Kernel oil, Persea gratissima oil, Glycine max oil, Malaleuca alternifolia leaf oil, Tocopherol, BHT, BHA

Component properties:

- Calendula officinalis flower : Also known as "Wonder". With properties anti-inflammatory and antiseptic, it is the main ingredient of cosmetic lotions. most widespread use, which was already known in Ancient Egypt, is as a remedy for

various skin conditions and as a skin moisturizer.

-Triticum vulgare germ oil: Its vitamin E content in the form of α-Tocopherol
It is one of the highest among vegetable oils. This circumstance gives a great
cellular anti-oxidant and anti-free radical power. It is recommended for mature skin,
dry and with blood flow problems, and very good for scar care.
It also contains vitamins A, B, D, E and K and more than 60% lipid acids.
polyunsaturated (especially linoleic acid). Wheat germ oil is capable of
prevent premature aging of the skin.

- **Chamomilla recutita flower** : The essential oil is rich in chamazulene, tiglic acid and
various sesquiterpenes; It also contains anthemic acid, atesterol, antemena and tannins.
Due to its elements and flavonoids, it has decongestant and softening properties,
stabilizes the skin and, in addition, exerts a soothing and mitigating action on the
sensitive endings.

- Cocos nucifera oil: it has become one of the kings of natural cosmetics in
partly due to its very high content of vitamin E and K, which make it a powerful
ally when it comes to improving the condition of our skin. Furthermore, this oil is full
of fatty acids ideal for hydration, becoming a great remedy
natural when it comes to combating dry skin.

-Prunus persica kernel oil : The peach, Prunus persica, comes from a tree that
It was originally cultivated in China and Asia.

Peach oil easily penetrates the epidermis, providing deep hydration and a visible smoothing effect, thanks to the vitamin E it contains.

In addition to providing softening and flexible properties, thanks to its properties
regenerating, slows down the effects of aging.

- Persea gratissima oil : It is quickly absorbed by the skin, giving consistency to the
emulsion, smoothes and regenerates the skin, use on damaged, dry and sensitive skin. Very good for
the treatment of erythema and irritations.

Malaleuca alternifolia leaf oil: It is recognized worldwide as one of the best
existing antiseptics, fungicides and natural sedatives
