Product description

It is a very pleasant cocktail to share with your partner or whoever you want. Disinhibition, desire, the pleasure of sex and orgasm are guaranteed.

It is a natural aphrodisiac, made with plant extracts such as Epimedium, Guarana, Ginkgo Biloba, Trigonela Frenogrecum, Maca and vitamins of group B: B2, B3, B5, B6, B12, and other essential components.

It has a pleasant flavor to drink directly or dilute in any drink of your choice and to your liking; USE: Pour approximately 30 drops into a glass with any drink of your choice, soft drink, cocktail, etc. Take it easy and let yourself go. Tiredness, stress and other factors of daily life can affect a couple's love and sexual life.

- Enhances women's sexuality
- Increases sexual desire
- Activates and intensifies the orgasmic climax
- Reduces anxiety and increases self-esteem
- Fight physical fatigue and mint
- Reduces symptoms associated with menopause.

Drops of Love is a Cocktail for women; presented in a comfortable and practical special container that protects it from light and allows you to have it anywhere, and to be able to use it whenever you want, just take it before starting the activity.
