Product description

CARTAGO" oleum, Orgoman: Pompeii intimate oil for men, is an intelligent natural cosmetic, composed of natural essential oil extracts from fruits and plants for use in intimate massage; it is a stimulating sensitizer, maximizing your pleasure; it is a sliding lubricant. your intimate areas and manages to awaken intense passion.

Cartago oleum is a useful protector in men's intimate hygiene. Furthermore, due to its successful formulation, it gives its components (according to various scientific treatises) antiseptic, regenerative, hydration, protection, distension, lubrication properties, reducing inconveniences and unwanted effects such as: Dryness; allergies, irritation, burns, tears, etc.

Cartago oil provides good comfort in the male intimate area, and is very slippery and a true pleasure for the senses, managing to significantly improve intimate relationships; very useful for after shaving. Cartago oil has no contraindications and covers the protection and intimate hygiene needs of men.

Catago oleum has been created for demanding and sybaritic men. With this intimate oil you will find a very complete, effective and satisfying protagonist that can be used all over the body, from head to toe.

Cartago oleum is ideal for before and after daily shaving; also on sensitive and irritated skin; It shows good performance on dull, cracked and athlete's feet.

It does not sting or sting, it is alcohol-free and it is friendly to the testicles and groin. It has a pleasant touch that makes it irreplaceable as a lubricant and protector during sexual intercourse.

Cartago oil has been created for pleasure and to minimize the discomfort and inconvenience that men suffer daily in their intimate area, whether due to inappropriate clothing, wear, odors, dryness or any intimate alteration.

Method of use: Apply a sufficient amount in the desired area, as well as in the intimate and perineal area, before and after intimate relations; It has proven to be very effective in all symptoms (itching, irritation, stinging, dryness, odor, etc.). It is an excellent slider. Its action is fast, it can be applied several times a day in the area you want and almost immediately you get an extremely pleasant sensation.

- Presentation: It is elegant, practical and comfortable, with a 50 ml dosing dispenser.
- Product suitable for vegans.

Composition of Olevm Intimo CARTAGO man Ingredients:
Vitis vinifera seed oil, Chamomilla recutita flower, Cocos nucifera oil, Isopropyl myristate, Calendula officinalis flower, Glycine max oil, Argania spinosa Kernel oil, Fragrance, Malaleuca alternifolia leaf oil, Tocopherol, BHT, BHA.

Component properties:
- Vitis Vinifera Seed oil: It is the preferred cosmetic oil as an ingredient for control of skin moisture, leaving a shiny and protective film on it

of external aggressions.

- Calendula officinalis flower: Also known as "Wonder" With properties
anti-inflammatory and antiseptic, it is the main ingredient of cosmetic lotions.
most widespread use, which was already known in Ancient Egypt, is as a remedy for
various skin conditions and as a skin moisturizer.

-Triticum vulgare germ oil: Its vitamin E content in the form of α-Tocopherol
It is one of the highest among vegetable oils. This circumstance gives a great
cellular anti-oxidant and anti-free radical power. It is recommended for mature skin,
dry and with blood flow problems, and very good for scar care.
It also contains vitamins A, B, D, E and K and more than 60% lipid acids.
polyunsaturated (especially linoleic acid). Wheat germ oil is capable of
prevent premature aging of the skin.

- Chamomilla recutita flower: The essential oil is rich in chamazulene, tiglic acid and
various sesquiterpenes; It also contains anthemic acid, atesterol, antemena and tannins.
Due to its content of essential oil and flavonoids, it has properties
decongestant and softening. stabilizes the skin and also has a soothing action
mitigating effect on nerve endings.

- Cocos nucifera oil: it has become one of the kings of natural cosmetics in
partly due to its very high content of vitamin E and K, which make it a powerful
ally when it comes to improving the condition of our skin. Furthermore, this oil is full
of fatty acids ideal for hydration, becoming a great remedy
natural when it comes to combating dry skin.

- Argania spinosa Kernel oil; Also "African Gold": It is softening and regenerating, argan oil nourishes the
epidermis, hydrates it and restores its shine and flexibility; indicated in dehydration
and skin aging, repairs and protects the epidermis from dryness and
external aggressions, thanks to the contribution of essential fatty acids.

-Malaleuca alternifolia leaf oil: It is recognized worldwide as one of the best
existing antiseptics, fungicides and natural sedatives.
