Product description

Canelal Aphrodisiac Tantric Oil. Aphrodisiac Oils carefully and exquisitely made with natural ingredients and enveloping fragrances created to offer and enhance new sensations in the areas you desire.

For tantric massages and couples games

Tantric cinnamon aphrodisiac oil seeks balance between the interior and exterior through the harmony that the nature of the properties of cinnamon brings us. It is a carefully and exquisitely made oil based on natural ingredients and enveloping fragrances, created to offer and enhance new sensations in the areas desired by men and women. You will discover new sensations, sublime and very pleasant sensual experiences with which you can share in your couple games and achieve extraordinary pleasure for your senses.

The main ingredients of this oil are Muira Puama, Epimedium, cinnamon extract and natural extracts and essences obtained from nature. These active ingredients contain enough to turn Eros-Art Cinnamon Tantric Oleum into a very special body massage that will activate all our senses to reach a climax of sublime pleasure.

Component properties:

It activates microcirculation, the circulatory system and at the same time hydrates and provides aphrodisiac elements.

Cinnamon oil is meticulously extracted from cinnamon bark to ensure that there is no dilution of oil-like scent that is produced. Cinnamon is used to improve general circulatory function and also acts as an antiseptic, calming, relaxing and aphrodisiac.

Brief history of Muira Puama, it is a shrub that grows in the Brazilian Amazon area. There are two varieties, P. Olacoides that contains a high level of lupeol. And the Brazilian considered to have a high aphrodisiac and sexual tonic power. The effects of this plant are increased libido, sensations in the skin and sexual organs, anti-fatigue and toning properties.

Brief history of Epidemium. This plant grows in Asia, it has been traditionally used to tone and regulate sexual dysfunctions. It increases the level of testosterone, and dilates blood vessels to activate circulation.

The components of Sensual Oleum Eros-Art will provide you with a pleasant sensation as it will activate all your senses. The natural aromas of cinnamon, vanilla and chocolate will give you a stimulating smell, so the massages will be highly pleasant.
