Product description

When it gets tight: Latex Dressing Aid is the ideal dressing aid for skin-tight rubber and latex clothing.

Guarantees no more difficulties when putting on clothes. A few drops are already sufficient to easily slip into the second skin - even with strong body hair! Special ingredients increase the longevity of your wardrobe; Gum and latex become soft and nestle perfectly to a body shape.

EROS Fetish Latex Dressing Aid does not stick, is skin friendly and odorless. The water and perfume-free dressing aid contains no oils or fats and is therefore particularly pleasant.
