Product description

This water-based lubricant with Eros' special formula for extra lubrication and skin protection based on hyaluron and panthenol. It is also very easy to clean since it is soluble in water and does not contain grease, odor or color.

Characteristics.

- Water based lubricant
- Special formula hyaluron + panthenol
- 200ml
- Extra lubrication and skin protection.

The Eros line of lubricants is made with natural ingredients and of course dermatologically tested to enjoy long-lasting lubrication while taking care of your skin.

Brand characteristics

Brand characteristics: selected EROS products available at Sforne with discreet delivery and clear product information.

Lube Guide

Water-Based Lube Guide

Water-based lubes can dry out during long sessions – reactivate with a few drops of water or saliva. They leave no stains and wash off easily with water.

Our selection includes hypoallergenic, pH-balanced, and organic options for sensitive skin.
