Producer code	**FETISHID-238113**
EAN	**8436533094018**

Product description

Ultra silk water-based formula. **EXTASE** lubricating gels, applied with a delicate massage, will provide your body with endless lubrication. These sweet-smelling, ultra-silky **EXTASE** lubricating gels will enhance the sensitivity of the skin to the friction of their caresses on bodies in motion. Compatible with condoms & dildos.

Immerse yourself in sensual indulgence with our natural water-based lubricant, a unique experience designed to elevate your intimate moments. With a generous 100 ml container, this lubricant has been carefully formulated to offer exceptional smoothness, providing a perfect slide that intensifies the connection and pleasure as a couple.

This water-based lubricant is characterized by its natural composition, providing a safe and body-friendly option. Its formula has been designed to imitate natural lubrication, offering a silky sensation that blends harmoniously with the body, without leaving sticky residue.

The versatility of this lubricant makes it the perfect complement for various intimate activities. Whether to improve comfort during sexual relations, to use with erotic toys or simply to explore new forms of intimacy, this natural lubricant adapts to all needs and desires.

The ergonomic and easy-to-use packaging ensures hassle-free application, allowing you to enjoy the experience without interruptions. Its 100 ml presentation ensures that you will always have enough for your most special moments, while the discreet label maintains privacy in your most intimate moments.

Discover softness and naturalness in every drop with our 100 ml water-based natural lubricant. Turn each intimate encounter into a sensory delight, where connection and pleasure merge in an unmatched way. Enjoy intimacy with the confidence of knowing that you are choosing a lubricant that cares for and respects your well-being.

Safety

Ingredients & Safety

All our products use body-safe, tested ingredients. Look for "hypoallergenic" and "glycerin-free" options for sensitive skin.
