Product description

Unisex silicone-based lubricant

It is made from silicone, one of its main qualities is its ultra-silky super-softness that enhances the sensitivity of the skin to the touch of caresses or body-body friction.

It can be used as a lubricant and is perfect for massaging the erogenous zones **, both vaginal and anal.**

Its main qualities are;

- Non-sticky silicone base
- Ultra soft and silky
- Enhances sensitivity
- Compatible with sex toys.
- **unisex**

Silicone-based product for external use indicated to facilitate sexual relations when natural lubricity is reduced.

Formulated according to Community regulations.

Airless precision dispensers that allow their contents to be preserved.

100ml container

Extase Sensual is perfect for your intimate moments, the delicate manufacturing processes and strict quality controls make Extase Sensuel one of the perfect companions for intimate and sensual relationships.

Silicone Lube Guide

Silicone lubes are waterproof – perfect for bath, shower, or pool. They do not wash off easily, so expect long-lasting glide. Some people find them difficult to clean up.

Our silicone lubes are body-safe, odorless, and tasteless – ideal for all types of play.
