Product description

Grab this oral sex beauty, play the DVD, lube your penis and put her in your mouth until you explode!

Grab her hair and shove it halfway down your windpipe! This beauty can't wait to swallow every last drop of cum.

Bend your head back, put it in your mouth and get ready for the most realistic oral sex you've ever experienced!

We have taken care of even the smallest detail, its real skin feel with FantaFlesh, its bright eyes that move with head movements and its fantastic trachea that will envelop every millimeter of your penis!

- 100% Submersible, suitable for the shower or Spa
- Phalate free

It's all yours to enjoy and there are no rules! Best of all, she never says no to a good time because she always has her mouth ready!

The suction cup base it has sticks to almost any flat surface (floor, tiles, tables and even glass!). Watch her eyes roll back into her head, then gag her and fill her with the taste of your cock!

If your partner is not capable of giving you a deep throat, she can! Now is your chance to enjoy the excitement! Her mouth clings to the skin of your penis and heats up based on your body temperature.

Add a little lube and her mouth transforms into a wet paradise for your penis. He doesn't choke, his hair doesn't bother him and there are no teeth to hurt you.

When you are about to cum, you don't need to take her out you can cum in her mouth, since she is thirsty for you!

Put your favorite shade of lipstick on her sexy lips and then see how it looks on your penis. You can even curl or straighten her hair and give her your favorite hair style! Adhere it to the shower tiles and turn your shower time into oral sex time! You will see how you will repeat and your showers will be longer!

To clean it you can use Pipedream toy cleaner and warm water, and to recover its feel once it is dry, you can apply the special recovery powder.
