### Product description

When you're looking for the ultimate support ring for your cock and balls, the Cock Pipe with Ball-Stretcher is the perfect choice to give you that extra edge! Push your package out to its maximum potential and enjoy a super tight tug on your balls while you stay harder and thicker than ever before. The ball stretcher pulls down on your testicles and prevents them from retracting upward, delaying ejaculation and prolonging the fun. Made from our body-safe, super-stretchy TPR, this comfortable harness was designed for maximum performance and rock hard erections!

Climaxes will never be the same again when you're wearing the Cock Pipe with Ball Stretcher! You'll enjoy bulging balls, throbbing erections, increased stamina, and explosive ejaculations. Pull your balls through the bottom ring first, then stretch the top ring and slide it all the way to the base of your shaft. The ring can be worn under your clothing, increasing the size of your bulge while constantly tugging on your package!

The unbelievable stretch, form-fitting comfort, and unparalleled lift make this the ultimate ring for harder, longer lasting erections!
