Product description

The days of fighting over the remote are over! Introducing the Remote Control Performance Pro, the amazing professional-grade ring that puts your partner in total control of the fun! Driven by an RC frequency that works up to 25 feet, this wireless wonder is the ultimate dual-action enhancement ring. Take control of the remote yourself or surrender it to your partner and give them total control! The wireless remote allows you to cycle through 20 thrilling pulsation patterns to find a function that’s just right for you! You control when and how often the bullet vibrates, while you both enjoy the kind of sex you’ve only dreamt about.

He’ll enjoy thicker and fuller erections, prolonged ejaculations, and an overall boost in confidence! His partner will love the added vibrations, tiny ticklers, and increased stamina. You both will enjoy taking turns to control the remote!

Made from body-safe, phthalate-free Elite Silicone, this ring easily stretches for maximum comfort. The top ring wraps snug around your shaft while the bottom ring wraps around your penis and testicles. Try both rings pulled behind your whole package for an extra tight squeeze! The stretchy ring gently puts a clamp on performance letdowns to make you bigger, thicker, and harder than ever before!
