Product description

When you’re looking for a ring that delivers the most explosive ejaculations, the Rock Hard Ass-Gasm combines two of man’s favorite sensations into one amazing performance ring. This smooth silicone ring fits snug like a glove and pushes your package out to the max, making you harder and stronger while you enjoy incredible prostate stimulation. Made from our silky-smooth Elite Silicone, this dual-action cock ring doubles as a wearable P-Spot plug, allowing you to prolong ejaculation and extend the fun while enjoying an incredible prostate massage.

With the Rock Hard Ass-Gasm in your ass and the ring wrapped snug around your cock and balls, you'll stay harder and stronger than ever before! The stretchy silicone ring puts the squeeze on performance letdowns, maintaining thick, throbbing erections that last longer! The round, smooth plug makes entry and retrieval a snap, while the thin, tapered shaft ensures the plug will stay in place between your cheeks when the action heats up.

The comfortable wrap-around shield gives you extra support and lets your lover know that you mean business. You’ll look bigger, tougher, and get harder than ever before while you enjoy powerful, explosive orgasms. The phthalate-free, latex-free Elite Silicone can be enjoyed in full confidence with water-based lubricants.
