## Product description

When you’re looking for the ultimate enhancement ring, the Rock Hard Ring & Ball Stretcher combines two of man’s favorite sensations into one amazing performance ring. This smooth silicone ring fits snug like a glove and pushes your package out to the max, making you harder and stronger than ever before. The ball stretcher tugs down on your testicles and prevents them from retracting upward no matter what their size.

Made from our body-safe, medical-grade Elite Silicone, this incredible ring was designed to improve performance and achieve long-lasting erections! The comfortable wrap-around shield gives you extra support and lets your lover know that you mean business. You’ll look bigger, tougher and get harder than ever before, while your balls bulge without any chafing or discomfort. The phthalate-free, latex-free Elite Silicone can be enjoyed in full confidence with water-based lubricants.

This hardcore ring can be worn all day, increasing the size of your bulge while constantly tugging on your package! Climaxes will never be the same again and you’ll experience an increase in both size and girth while you wear this ring! The unbelievable stretch, form-fitting comfort, and unparalleled lift make this the ultimate ring for harder, longer lasting erections!
