Product description

Double the pleasure and double the fun with the incredible Silicone Double Penetrator Rabbit! Now you both can enjoy the thrill of double penetration without having to worry about introducing a third partner into the mix!

Made from our body-safe, phthalate-free Elite Silicone, this dual-bullet double penetrator features a ribbed silicone dildo perfect for exploring your D.P. fantasies. The stretchy silicone cock ring puts a clamp on performance letdowns by delivering a tight squeeze to his shaft, while two powerful bullets provide thrilling vibrations you both will enjoy! One bullet sits on top of the ring and slides into the rabbit clitoral stimulator and the other slides inside the base of the silicone dildo for vibrating anal stimulation. The smooth silicone dildo features small round pleasure ribs that feel great with every thrust. The vibrating ring keeps him longer and stronger than ever before while you both enjoy mind-blowing vibrations where you want them most!

With the push of a button, the rabbit’s ears flutter, flicker, and drive her wild. The soft silicone ears are cleverly curved to nestle gently up against her clit while the tingly vibrations whisk her away! Try it in the shower or hot tub and turn bath time into pleasure time. Cleanup is a snap after the fun with toy cleaner and warm water. Use plenty of Moist to ensure an extra wet and wild encounter!
