Price	**74.44 £**
Number	**70133448**
Producer code	**FETISHIPD4945-12**
EAN	**603912757866**

Product description

Her deepest desire was to experience complete, fulfilling, personal sexual satisfaction whenever she wished. Then she discovered HER Personal Sex Machine—it had become her own sensual obsession!

She held the lightweight personal sex machine and smiled at the pure convenience it offered her. She pressed the button to activate the warming element and instantly felt her own heat swell inside of her. The soothing 104 degrees would perfectly match her own warm body temperature.

She delicately rubbed the soft silicone with slippery lube and enjoyed its velvety smooth texture. Ahhhh, this was going to feel so good! She slipped the slim shaft deep inside of her and pressed the button. She held her breath in anticipation as gentle gyration and thrusting filled her fuller and deeper. She pressed again to intensify the gyration and thrusting. Mmmmm, this was the pounding she needed.

The powerful gyration, thrusting, and warmth made her wet and tingly. She closed her eyes and enjoyed the most incredible pleasure combination she had ever felt. She raised her hips to meet each thrust and gasped with delight. Her toes tensed as an orgasmic frenzy began to build inside of her. She screamed as an intense climax shook her entire body. She slowly relaxed and allowed HER Personal Sex Machine to continue its rhythmic thrusting as she cherished her afterglow of satisfaction.

- Powerful Thrusting, Vibration & Unique Gyration 7 levels of dynamic stimulation for an exciting intimate experience.
- Internal Heat Function Warms shaft up to a comfortable 40º C (104º F). USB Magnetic Recharger Ready when you are! Easily and conveniently rechargeable, offering hours of enjoyment.
- Clear Cap for Travel & Storage Conveniently offers hygienic storage and travel protection.
- Operating Instructions: Rechargeable via the included USB cord.
- Multi-function button and heat button can be used separately or simultaneously.
- Care Instructions: Cleanup is a snap after the fun with Refresh Toy Cleaner and warm water. Clear cap creates a hygienic travel/storage design when not in use.
