Product description

The Feminitimate brand, a specialist in female intimacy, offers its antibacterial sex toy cleaner to ensure the cleanliness of your intimate toys and extend their useful life. By keeping the sex toy clean you manage to avoid diseases, in addition, you prevent the toy from deteriorating prematurely.

The **Femintimate Cleaning Spray** is the best solution for the maintenance of your Femintimate products and all sex toys in general. It is very important to keep your sex toys clean and bacteria-free if you want them to work as long as they are supposed to. Well, good sex toy hygiene is as important for you as it is for the toy.

It is as simple as applying the amount of **Femintimate Cleaning Spray** that you think is necessary to the toy and with a little warm water rub the toy with your hands. Once you see that the smell If the toy is nice and has no stains, it means it is clean. completely clean, so that rinse and let dry. It will be ready to store or... For a second round!
