Product description

It is a totally natural therapy based on performing pelvic floor muscle exercises by gradually increasing weights. PELVIX CONCEPT allows us to request the precise area that we want to strengthen; In fact, it is often very difficult to feel and activate the pelvic muscle group specifically. By using PELVIX CONCEPT, the stimulus is achieved naturally by causing a reflex action of the pelvis to counteract the action of gravity.

It is an exclusive product designed to stimulate the pelvic floor muscles, allowing, through a progressive exercise program, to considerably improve your pelvic muscles with the consequent benefits on your intimate and sexual health.

Prevention, postpartum, urine loss, sexuality.

- Facilitates the support of the vaginal walls
- Angle adapted to the pelvic muscles
- Ergonomic shape for easy introduction
- Anti-Allergenic Material: 100% Medical Silicone.

When and how to use Pelvix Concept?

Symptoms and cause of pelvic floor deterioration, the pelvic floor can deteriorate due to the following causes.

Pregnancy, childbirth, postpartum, are the main causes that predispose a woman to suffer from pelvic floor,

During pregnancy due to the weight of the uterus that overloads the tissues.

During childbirth due to the passage of the baby through the vagina, aggravated by the great weight of the baby or notable cranial circumference, an episiotomy must be performed. In cases of cesarean section, weakening of the pelvic floor can also occur.

In the postpartum period, in the event that the weakened muscles are not exercised correctly; Early practice of abdominal exercises or gymnastic exercises can weaken the pelvic muscles.

Menopause can also be a symptom of the pelvic muscles.

Sexually, a fit pelvic floor is essential to obtain maximum pleasure and satisfaction in your sexual relations.

Firmer muscles and a richer blood supply increase sensations during sex for you and your partner.

With Pelvixconcept and its indicated treatment you will quickly generate a strengthening of the pelvic floor.

Any age is good to start using the Pelvix Concept, it will improve your sexual life.
