Product description

Toning vaginal gel especially designed to help contract and tone the vaginal canals.

Femintimate cares about your intimate pleasure and goes much further, we want you to connect on a more intimate level during your relationships. Many women consider that their relationships are not what they were after pregnancy or they simply want to obtain and give a greater desire. Now, with Femintimates **Vaginal Toning Gel** it becomes possible.

The special gel has a narrowing effect that will help you. to achieve greater sensitivity during intimate moments thanks to its effective astringent effect.

At Femintimate we have designed the vaginal toning gel so that its use is simple and comfortable. So it is applied with a gentle circular movement at the entrance of the vagina. Its toning and tightening effects are achieved with greater power 10 minutes once applied, and its effects can last up to 2 hours.
