Product description

Be the man you've always wanted to be!

When your fetish-play demands the best materials possible, only the Fetish Fantasy Extreme Silicone Hollow Strap-ons will do! Made from 100% medical-grade Elite Silicone™, this ultra-premium collection is body-safe, hypo-allergenic, and sculpted to excite.

Elite Silicone quickly warms to body temperature and conforms to the body's contours, giving users the most realistic stimulation ever imagined. It's phthalate-free, latex-free, nonporous and the safest sex toy material on the market today!

The hollow strap-on is perfect for beginners and can be worn by either partner. For men with ED (erectile dysfunction), the hollow strap-on allows you both to enjoy the passion of face-to-face sex without the untimely midway letdowns.

Every strap of the silicone harness easily adjusts to fit most sizes, and the harness stays in place comfortably when the action heats up. To adjust, just slide the straps until the waistband is snug and the thigh straps feel tight, then connect the plastic Smart Clips™ in the back by hooking them together. The straps won't move and won't come loose during the heat of the moment.

Cleanup is a snap after the fun with Pipedream Toy Cleaner and warm water. Use plenty of Moist lube for an extra wet, extra wild experience.
