Product description

Expand your ass to extreme new widths with the Inflatable Ass Blaster! This hardcore pump-up vinyl dildo easily inflates with a few squeezes of the medical-style pump ball, filling your anus with thick stimulation. Insert the well-detailed dildo into your ass with the shaft deflated, then pump it up to enjoy a full, satisfying feeling.

The lifelike dildo looks and feels just like a real cock...except that it's massive in size! The sleek vinyl dildo doubles in girth when inflated to the max. Every ribbed ridge and detail expands to extreme widths, filling you with pure pleasure.

To relieve the pressure, simply twist the quick-release valve counter-clockwise and the dildo quickly deflates. Add plenty of Moist Body Lotion for an extra wet, extra wild encounter!
