Enjoy twice as much and have twice as much fun. With this cock ring, two are better than one! The silicone ring at the top of the penis acts as a performance-enhancing ring, while the larger lower ring that surrounds the testicles intensifies your orgasms.

Instantly the man becomes twice what he was before, thanks to the soft silicone dildo that sits below his penis and is ready to work twice as hard.

The silicone dildo has a conical tip to facilitate entry and is soft.
