Product description

Take the ride of your life with the Fetish Fantasy Inflatable Hot Seat. Anchored in the middle of the cushion is a firm jelly, multi-speed dong that is always ready for action. The air-seal valve makes inflating that Hot Seat a snap--just add air and you're off. Place the hot seat on a level-surface, select your desired vibration and savor every stroke.

Designed for those long hard rides, the cushion's flocked material and E-Z Grip Luv Handles make the journey more enjoyable. After the fun is over, squeeze the valve to release the air and tuck your Hot Seat away. For once, being in the Hot seat never felt so GOOD! Hot Seat holds up to 300 lbs!

Includes:

- Inflatable Hot Seat Attached

- Multi-Speed Vibrating Dildo and EZ-Grip Handles
