Product description

Squeeze, squirm, grind, and thrust your way to total satisfaction and enjoy incredible orgasms you never thought were possible! With the Fetish Fantasy Series Inflatable Luv Log between your legs, you can get just the right angle every time and do it all with greater ease! This portable vinyl position pillow is lined with plush flocking and features a firm vibrating dildo mounted on top. With EZ-Grip position handles strategically placed all around the pillow, you can straddle the sex saddle, hold on for leverage, and enjoy a wild ride that you control!

Get on top, choose a setting on the multi-speed dial, and let the powerful vibrations whisk you away! The firm PVC dildo is phthalate-free, body-safe, powered by a whisper quiet vibrating motor, and sculpted to excite. Try it alone or with a partner and you'll discover a variety of uses to achieve deeper penetration and longer love making sessions. It's not just a solo sex machine - it doubles as a position pillow to use with a partner! Bend your lover over the hump or place it under their thighs to prop them up. The possibilities are endless and so is the fun!

Unlike bulky and expensive sex furniture, the incredible Luv Log inflates in minutes and tucks away easily for storage when you're done. Take it with you when you travel and enjoy all the comforts of home when you're on the road. The flocked vinyl cleans up easily after the fun with a rag and warm water, and the PVC dildo can be sanitized with Pipedream Toy Cleaner and warm water.
