Product description

When you're looking for an affordable strap-on harness that can do it all, the Fetish Fantasy Series harnesses are just what you need to get the job done. We've reimagined our best-selling harness designs, improving them with even better shapes and materials to offer the best range of harnesses for beginners and strap-on aficionados alike. Compatible with most dildos, these harnesses perform best with Pipedream's Fetish Fantasy Elite Suction-Cup Dildos and Basix Suction-Cup Dildos.

Designed for maximum comfort, the Perfect Fit Harness is made with soft nylon and Luv Touch™ materials that prevent chafing and feel great against the skin. The durable 4-way adjustable straps feature an easy-close clip and fit thighs up to 30-inches (76 cm), while the included waistband extension fits waists up to 68-inches (173 cm). Three metal snaps secure the metal O-Ring and hold everything in place even when the action heats up. The three included silicone O-Rings allow you to interchange a range of dildos with a diameter up to 2-inches (5 cm).
