### Product description

Enjoy your wildest fantasies with this practical inflatable pillow. The inclined design allows you to relax in any position without slipping or falling, while maintaining difficult positions without missing a beat.

The air inflation valve seal is very secure and allows you to easily deflate it when the fun is over and take it with you wherever you go. It is perfect for romantics, vacations and since it is very discreet, no one will know where it is. What is it about. In short, it allows you to do everything more easily and in any position.

It is the perfect combination in terms of versatility and discretion. When present, its inclined ramp shape allows deeper penetration and better access. It also provides firm support for a wide variety of sexual positions.

This cushion will revolutionize your life. the love life of users and will allow Experience a variety of new positions. The ergonomic and flexible design will give you confidence. Greater versatility to your orgasms, since they will be much more intense. The cushion will give new direction to your sexual life, providing a better coupling in all positions with your partner. Unlike other wedges, it has four handles, two on each side for greater grip, on which you can put handcuffs or grip tapes.

This cushion offers comfortable and stable positions so you can only worry about receiving and giving pleasure, its feel is velvety for greater comfort. This is the ultimate in pleasure.

Enjoy your wildest fantasies!!
