Product description

When you want your first harness to look and feel like the real thing, the Fetish Submissive Fully Adjustable Strap-On Harness in the **Cyberstrap** range is just what you've been looking for!

Every vein, every shaft and every head is carefully handcrafted with exquisite details to give you the most realistic experience ever imagined.

Cyberstrap includes a pleasurable and realistic silicone dildo designed to reach all your intimate spots.

This premium realistic penis is in a natural tone color and has a silhouette with a suction cup base: offering you a realistic and exciting experience.

The design features carefully crafted details to enhance its natural appeal, while its dual-density material offers double the intimate fun.

Its soft-touch exterior and solid core form an irresistible combination that will leave you speechless with its sensational feel.

Its qualities are also great. With its silky touch and its pleasant 100% silicone surface. Stimulates in all situations; in bed, in the bathtub or using it with a harness. Additionally, it can be used hands-free by placing your foot ergonomically on a flat surface. It will stay like this for as long as required and will be removed with complete ease.

Made of liquid silicone and packaged in a carefully reviewed way, the liquid silicone included in CYBERSTRAP is a must-have for all lovers of realistic fun.

CYBERTRASP's hypoallergenic 100% Liquid Silicone material stands out for its silky matte surface with an extraordinary adaptation to the body. Premium waterproof finish (IPX7).

- The belt buckles ensure they don't come loose during the fun, while the straps have an optimal grip that keeps everything in place.

Completely comfortable and realistic, but it also includes remote control vibration with WATCHME technology.

All CYBERSTRAP Toys include WATCHME watch technology, with the watch included and ready to use with or without the remote control. But what is this technology?

It is a smart sexual watch that will help you control sex toys but we can also synchronize them with sex toys that use watchme technology to control the vibrations and functions of our favorite sex toy.

Functions of a WATCHME watch

In a WATCHME watch there are some outstanding functions that we will detail:

- Activate/Deactivate vibration.
- Modify vibration modes
- Modify the intensities in each vibration mode.

Each Cyberstrap is phthalate-free, latex-free, body-safe and hypoallergenic, and the metal rings are Nickel-free.

Characteristics:

- Total length: 19.5cm
- Insertable length: 17.5cm
- Product diameter: 4.5cm
- Waterproof.
- Materials: Synthetic leather, Vinyl, Metal, Velcro, Liquid silicone.
- Remote control with WATCHME technology (Watch)
- Very comfortable.

Each Cyberstrap is easy to clean and remains hygienic for a long time. The flexible material glides wonderfully and quickly adapts to body temperature. The Cyberstrap dildo cleans quickly and easily with a little soap and warm water. For thorough hygiene, spray it afterwards with disinfectant cleaner for sex toys, preferably with waterfeel toycleaner, specifically designed for this.
