Product description

Experience the thrill of being in control with this fabulous harness with vibrator for beginners or advanced. Made with soft and silky Silicone, but firm for a hard game, this classic harness is ideal for those who start in harness games. The belt is elastic and fits most sizes, while the soft silicone harness stays in place when the environment warms. The Fetish Submissive harness thanks to its slim shape with a tapered tip makes penetration easy for beginners and fun for everyone. Best of all is the ease of cleaning it simply by using the Waterfeel Toy Cleaner and warm water cleaner.

- Measurements; 15cm total length.
- One size fits all.
- Soft material, very comfortable and pleasant in penetration.
- 10 modes of vibration from soft to strong that increase the feeling of pleasure
- Submersible / Suitable for shower or Spa category IPX6
- Rechargeable

The hypoallergenic certified medical grade silicone stands out for its silky feel and excellent sliding ability. So you can enjoy your new friend for a long time, it is recommended that you use a water-based water-based lubricant in your wetter games. This protects the material and the surface remains silky. You can wash your toy very easily with water and a mild soap. For a more thorough hygiene, also use a special disinfectant cleaner for sex toys such as Waterfeel or Nina kikí toy cleaner.

Designed specifically for women who want to penetrate men or women interchangeably.
