Product description

Surely he has never penetrated an ass so real. Insert your penis into the tightest and most realistic anal Fleshlight ever. Boost Blast's floating "Turbo Tech" rings hug your member, giving you a snug feeling at all times. Up ahead, an inverted ribbed cone draws you deeper into a winding anal alley lined with a cluster of dense, intense nubs designed to caress your erection to perfection.

Fleshlight Boost takes everything you love about Fleshlight products and takes it to the next level. The Boost toy line features more new features than any other product since the original version.

In addition to new case colors and skin tone, the holes are more detailed and realistic than ever. Each toy also features our innovative suction control limit, allowing users to choose their desired tension level.

Get ready! We're about to take you to a whole new level of sexual satisfaction!

Includes:

Here is what you will receive with your Boost Blast:

- Metallic Blue Boost Case
- Blast Orifice
- Blast Texture
