Product description

Get ready for BLOW to give you the blowjob of your life. Experience the exciting sensation of oral sex at the time you prefer with our new realistic mouth sex toy. As you slide your member over your tongue and through your mouth, Boost's "Turbo Tech" floating rings will give you a realistic fellatio sensation every time you penetrate him. Prepare for an immersive and intense deep throat experience, in which several groups of bumps, large pads and elongated nubs will massage your erection to perfection.

Fleshlight Boost takes everything you love about Fleshlight products and takes it to the next level. The Boost toy line features more new features than any other product since the original version.

In addition to new case colors and skin tone, the holes are more detailed and realistic than ever. Each toy also features our innovative suction control limit, allowing users to choose their desired tension level.

Get ready! We're about to take you to a whole new level of sexual satisfaction!

This is what you will receive with your Boost Blow:

- Metallic Blue Boost Case
- Blow Orifice
- Blow Texture
- Suction Control Plug
- Instructions for use and maintenance
