Product description

Fly under the radar!

Fly to new heights with the sleek, streamlined Flight from Fleshlight. Like all of our best-selling products, the Flight features bodysafe materials that were built to last and our exclusive Superskin cover with a hyper-realistic feel.

Where the Flight really takes off, however, is with its unique features, including a compact design and discreet case, perfect for travel and plain-sight storage.

- bodysafe silicone
- Realistic sensations
- Compact design. Discreet casing
- No phthalates
- Easy to clean and store
