Product description

Kazumi is a multi-talented 25-year-old woman and pioneer in the sex work industry. Despite being raised by strict Filipino parents in Los Angeles, she dropped out of film school and worked as a Shake Shack cook before turning to sex work. Kazumi quickly rose to fame on Onlyfans, becoming a billionaire in less than three years.

As a model, adult film star, content creator, influencer and business owner, Kazumi's talent and hard work have earned her various accolades and she has been featured in renowned publications such as Playboy and Maxim. She also won a cooking contest and was nominated for Premium Social Media Rising Female Star on XBIZ, showcasing her multi-faceted skills.

Kazumi has a large following on social media, with over 800,000 followers on Instagram and thousands on TikTok, where he makes comedy videos. Their success can be attributed to their focus on customer acquisition and retention through content creation, performances, and social media presence. It has a six-figure marketing budget that includes high-profile events like airplane banners during Coachella and a dedicated TikTok team.

Despite her enormous personal success, Kazumi is known for her community-over-competition mentality and has collaborated with top talent and crews for content shoots that she produces and owns. He has worked with three-time AVN Female Performer of the Year Angela White, six-time AVN Favorite Male Pornstar winner Johnny Sins, and current AVN Best Newcomer Anton Harden.

Kazumi's unapologetic approach to her sexuality has earned her notoriety for her high sexual "body count." He believes that exploring his sexuality gives him power and attends sex parties and orgies. Kazumi is currently in a polyamorous relationship with a boyfriend.

Through her work and lifestyle, Kazumi is redefining what it means to be a sex worker in the 2020s and breaking stigmas around sexuality and body counts. His ability to diversify his skills and create engaging content has earned him a place in the hearts of his many fans.
