Product description

Feel each of the folds and the intimate textures and curves of the famous porn actress Mia Malkova

Very few girls have gone from being sweet, innocent amateurs to becoming global porn sensations as quickly as Mia Malkova has done. Some might underestimate Miss Malkova and think that her success is due only to her physique, capable of captivating all types of audiences, but her true fans are clear that the beauty and sensuality of this woman depends on many other factors.

Like many of us, Mia Malkova began working in the fast food industry as a cashier and waitress, but it soon became clear to her that she was not willing to be bored at work day after day, so she decided to dare to accept her first role in a XXX hardcore sex video. That scene gave it enough notoriety to win a prestigious award, being named Twistys Treat of the Month in December 2012, later beating the even more reputable Twistys Treat of the Year in 2013.

Likewise, your custom Fleshlight is designed with quality, reliability, and durability in mind. This product gives you the best of Mia Malkova every time you decide to play with it, taking it one step further and turning each session into a fantasy that will exceed all your expectations.

In 2018 Mia Malkova was again in the spotlight for her participation in the documentary God, Sex and Truth. In the film Mia was asked why she decided to get into porn, and her response is worth reading: "The only reason I got into porn is because I love sex and the world of porn is the best and safer to explore sex in all its forms."

When you slide inside Mia Malkova, the rest of the world will fade from your mind and you can be sure that you will always receive all the attention and unlimited affection that Mia is willing to give you. Give Mia everything she wants and be sure to work on her stamina, because what she wants most... is all you have for her!
