Product description

You will be able to feel each of Stoya's intimate folds and curves.

It has an incredible softness, it is as if you were inserting your penis into a real vagina, of high quality and with a perfect size.

It has a unique and exclusive design since when it is closed, no one would imagine that it could be a male masturbator.

As a finishing touch, narrow chambers with a multitude of folds await you at the end of the sleeve padding, designed to provide the most intense sensations to the most sensitive part of your member. If you want to know what it's like to have sex with the girl of your dreams, Destroya is the closest thing to it!

Upon entering, three small rings grip you tightly, followed by the ultra-penetrating pleasure dome that will give you 360 degrees of unmatched happiness. The next chamber begins with a row of tiny teeth and fangs that delightfully rub and tug at you. Finally, a row of large protuberances leads to a super ringed texture that narrows as you move towards its interior.

- Fleshlight® is 100% safe and very easy to use and clean.

Using Fleshlight® frequently, you will strengthen your erections and increase the strength of the penis, due to the training of the tissues of the member. You will notice an improvement in a few months.
