The key to being able to last longer in bed and becoming the lover that every woman dreams of having, is not a cream, pill, or potion...it is PRACTICE.

The masturbation product STU Unit™ (Stamina Training Unit), is a sex toy for men specifically designed to reproduce the incredible sensation of sexual intercourse, improving their resistance and techniques and experiencing intense orgasms.

When you masturbate using Fleshlight STU, you will not only be Not only will you improve your stamina and sexual techniques, but you will also experience an intense orgasm that is only achievable using Fleshlight sex toys for men.

If you can last 10 minutes with STU, you can last 20 minutes in bed with anyone. Fleshlight Pink Lady STU includes the exclusive Gold Fleshlight Case.

Your purchase includes an exclusive Gold Fleshlight case created from an ordinary flashlight. The sleeve can be easily removed from the case for convenient cleaning after use. Your Fleshlight case is perfect for storing your sex toy in the most discreet way possible.

Fleshlight End Cap AdjustmentThe patented design of our product allows the sleeve to be adjusted to the case during use, maintaining adequate pressure and resistance throughout the experience.

We have added several "ducts" at the bottom end of the Fleshlight case. By adjusting the cap more or less tightly you will be able to control the suction used during use.

If you are worried about noise or disturbing your family and neighbors, you can loosen the cap until it is completely open, and masturbate more quietly with lower intensity suction.

Fleshlight cases are compatible with most Fleshlight sleeves, allowing you to easily expand your collection by combining a wide variety of sleeves with various designs and textures without having to purchase a new product

We recommend that you store your Fleshlight sleeves in a suitable case to keep them in safe condition. optimal for use.

Using Fleshlight® Frequently, you will strengthen your erections and increase the strength of the penis, due to the training of the tissues of the member. You will notice an improvement in a few months.

- Fits all penis sizes.

Includes a practical lid, to be able to store and protect it once used.

UNIVERSAL LAUNCH:

Universal Launch is available Designed to fit most of our product line AND other non-Fleshlight cased strokes!* Control the length and location of your strokes, as well as the length and location of your strokes. like speed. With its innovative touch control system, simply adjust the controls, sit back and enjoy! *Use of any third-party hardware product in combination with Universal Launch violates the terms of use and warranty.

HOW TO USE

Universal Launch is an automated Fleshlight experience for most of your Fleshlight toys! Securely attach your compatible Fleshlight product using the universal ratcheting system. Slide your product through the grippy circular opening. Once in the desired and secure position, use the large latch to tighten the grip. Lift the large latch from its left side to tighten the strap snugly, being careful not to overtighten and possibly damage your Universal Launch or Stroker. Then turn it on and enjoy the many features of the product! Universal Launch's easy-to-use illuminated rocker switches allow you to adjust between four stroke lengths and variable stroke speeds, moving as fast as 250 strokes per minute. If you want a more focused experience, shorten the stroke length and alternate between the three available pleasure zones: base, shaft or tip. The universal smartphone holder on top gives you the option to watch your favorite content while both hands are on the controls. On a full charge, your sessions can last up to 60 minutes, but can also be experienced while on the go. connected to the wall using the Fleshlight active start mode.
