Price	**37.51 £**
Number	**73751410**
Producer code	**FETISHID-218198**
EAN	**810476016494**

Product description

Heating a Fleshlight adds more pleasure and realism to your experience.

This instrument will heat your sleeve to a safe and very comfortable temperature in just a few minutes. It will automatically maintain that temperature so it's ready when you need it. This heater is waterproof and is the best place to dry and store your sleeves after cleaning.

Characteristics:

- 4 legs
- Universal USB Adapter
- Masturbator not included

Brand characteristics

Brand characteristics: selected FLESHLIGHT products available at Sforne with discreet delivery and clear product information.

Care Guide

Masturbator Guide

Use lubricant for best sensation. Clean after each use (soap and water). Air dry completely before storing.

Heating the sleeve improves realism. Rotate between sleeves to avoid boredom.
