Product description

You've never EXPLODED such a real butt. Push your penis into the tightest, most realistic anal Fleshlight ever. The Boost Blast's "Turbo Tech" floating rings cozyly hug your member upon entry, ensuring a comfortable feel at all times.

After this feature, an inverted ribbed cone takes you deeper into a winding anal alley lined by a cluster of dense, very intense nubs designed to caress your erection to perfection.

Fleshlight Boost takes everything you love about Fleshlight products and takes it to the next level. The **Boost** line of masturbators features more new features than any product since the original.

In addition to new case colors and skin tones, the holes are more detailed and realistic than ever. Each toy also comes with our innovative suction control cap, allowing users to increase their preferred tightness. Get prepared; We're about to take you to a whole new level of sexual satisfaction!
