Product description

Get ready for the HIT of your life. Experience the tantalizing sensations of oral sex any time you choose with our new realistic oral sex toy.

As you slide your rod across his tongue and into his mouth, the Boost's floating "Turbo Tech" rings give your member a realistic swallowing sensation upon entry. As it envelops you, prepare for an intense deep throat experience as its various groups of ridges, large elongated nubs massage your erection to perfection.

Fleshlight Boost takes everything you love about Fleshlight products and takes it to the next level. The **Boost** line of masturbators features more new features than any product since the original.

In addition to new case colors and skin tones, the holes are more detailed and realistic than ever. Each toy also comes with our innovative suction control cap, allowing users to increase their preferred tightness. Get prepared; We're about to take you to a whole new level of sexual satisfaction!
