Product description

Get ready for the best BANG of your life! Slide your shaft inside these hyper-realistic lips and experience a sensation of masturbation never felt before. The Boost's floating "Turbo Tech" rings firmly greet your manhood upon entry, ensuring a perfectly comfortable grip at all times. After penetrating this pleasure-inducing feature, you will pass through a narrow, highly textured corridor consisting of grooved rings and floating discs.

Fleshlight Boost takes everything you love about Fleshlight products and takes it to the next level. The **Boost** line of masturbators features more new features than any product since the original.

In addition to new case colors and skin tones, the holes are more detailed and realistic than ever. Each toy also comes with our innovative suction control cap, allowing users to increase their preferred tightness. Get prepared; We're about to take you to a whole new level of sexual satisfaction!
