Product description

AMORINO? God of modern love.

AMORINO: the MiniVIBRATOR with taut band. Exciting and new.

The neon yellow band of this rechargeable MiniVIBRATOR radiates its heavenly magic through the gently rounded ends of the AMORINO and its bulbous clitoris stimulator. The gently taut silicone band transmits the toys' vibrations. Cross or stretch the bands around the AMORINO and explore a variety of sensations. Use it as a positioning vibrator and stimulate externally by transferring vibrations from the motors through the band to the venus mound, clitoris and labia. Of course, the AMORINO never loses sight of its goal when used internally. The gently curved tip easily finds the G-spot and P-spot and the external bulb of the vibrator stimulates the clitoris or perineum. For anal use the band should always be removed.

- MiniVIBRATOR features a unique stimulation band that transmits vibrations intensely
- Rechargeable with magnetic charging cable included USB-MAGNETIC CHARGER
- If you cross and stretch over the dual motors, the silicone band activates. When placed directly over the stimulating tips of the vibrators, the band transmits more vibration over a larger area.

AMORINO? God of modern love
When Love from ancient Rome comes with bow and arrow, it pierces the heart and love blossoms. Today's Cupid is armed with a different type of accessory. Passionate moments blossom as soon as the flexible stimulation band meets the sensitive curves of this small vibrator. Both the silky surface of the silicone shaft and the band please and inspire. With intimate teamwork, the delicacy of the toys created by the externally placed stimulation band brings even more excitement to the game and transports users to the seventh heaven.

Erotic of a vibrating band
Friends of the new AMORINO we are happy to confirm. The vibrator, perfect for any bag, equipped with a small - but

outstanding in all aspects - innovation, garners many applause. The gently taut silicone stimulation band is placed between the gently rounded tip and the side button for clitoral arousal. Externally stimulates the mound of Venus and the vaginal lips - this small detail ensures levels of arousal of a special kind. When used vaginally and anal, simply remove the black yellow band. The gently curved tip easily finds G and P points, the curvature at the lower end of the MiniVIBRATOR stimulates the clitoris or anus.

The AMORINO is fantastically backed by the sensitive and powerful technology within the toy. The powerful and quiet motor with six rhythms and six intensities makes it easy and reliable to drive to new heights of cl max. Simply press a button on the elegant gold-colored control unit. What also makes the AMORINO a real eye-catcher are the seductively modern colors. Pink and Petrol with a bright neon yellow stimulation band.
