- Designed and handcrafted in Germany

Thrusting action and powerful vibration ? together at last!
Get ready for a supernova of sensation. Weve paired our bestselling STRONIC pulsator with one of the strongest external motors on the market, for the worlds first dual action toy that combines realistic thrusting with rumbling vibration. Pick from sixty-four stellar stimulation settings, from deep, rhythmic thrusts to quick, intense pulses, then lie back and enjoy for hours of hands-free fun.

BI STRONIC FUSION advances what is possible in pleasure, delivering patterns and crescendos of internal movement and pressure, along with deep vibration that focuses on the clit and flutters against the labia. Designed and handcrafted in Germany using the highest quality body-safe silicone on the market, this one-of-a-kind toy boasts an intuitive button interface, a waterproof design for versatility and easy cleaning, a travel lock with a clear on/off control, and a charge indictor ? so that you never run out of fun.
