Are you a woman or person with a vagina and are you looking for a butt plug that fits your anatomy? Or do you want to experience vaginal sex while wearing an anal plug? Search no further! Meet Fun Factory BOOTIE FEM pink, a butt plug with an accessible tulip shape. Its comfortable enough for beginners to anal play and made to be worn during sex for FUNtastic mega-orgasms.

ASYMMETRICAL
What makes BOOTIE FEM so special is its asymmetry. The base of this butt plug is shorter on one side, so the toy is positioned in such a way that it can easily penetrate vaginally. At the same time, the toys button gently tilts towards the G-spot. It will increase the pleasure for you and your partner, because the pressure of the inserted butt plug automatically tightens the vagina.

BUTTPLUG FOR WOMEN
Thanks to its small size, tapered tip and velvety soft silicone material, this BOOTIE FEM is the ideal butt plug for vulva owners, with or without anal experience. It also adds extra ENJOYMENT during sex for two by making the vaginal canal feel smaller, leading you and your partner to breathtakingly intense climaxes.

WHATS SO SPECIAL ABOUT BOOTIE FEM?
BOOTIE FEM is a butt plug specially designed for people with vulvas, shaped to be worn during simultaneous vaginal penetration. What sets it apart? The toy has an asymmetrical base, with one end shorter than the other, which precisely positions the toy to allow easy, simultaneous vaginal penetration. The approachable tulip shape of this female butt plug also symbolizes blossoming and therefore enjoyment!

WHAT CAN THE BOOTIE FEM ANAL PLUG REALLY DO GOOD?
The many nerve endings located in and around the anus are incredibly sensitive to pressure and stretch. The more this is stimulated on the way to orgasm, the more intense the actual climax will be. Also, if you wear the plug anally during vaginal penetration, the indirect pressure from BOOTIE FEM will direct the penis or toy directly to the G-spot. The result is a brilliant all-round orgasm, enhanced by anal stimulation.

IS BOOTIE FEM COMFORTABLE TO WEAR?
As we said, BOOTIE FEM is perfectly designed for people with vulvas. The ergonomically shaped, narrow base always feels safe and is 100% discreet. In other words, nothing can be seen even under tight pants. Plus, the beginner-friendly size and

narrow, tapered knob allow for hassle-free insertion.

Tip: Use extra lubricant to ensure an all-round comfortable feeling, whether youre playing solo or with a partner.

IS BOOTIE FEM EASY TO CLEAN?
BOOTIE FEM is made in one piece from 100% medical grade silicone. That means this seamless anal toy can be easily cleaned with fragrance-free soap and warm running water.
