Modest in size and impressive in design, the BOOTIE RING is perfect for extra-curious beginners and sex toy enthusiasts alike. Use it solo or while you play with a partner for the kind of orgasms that only happen when you're hitting multiple erogenous zones at once.

FIRMER ERECTIONS

Pull the stretchy silicone ring over your shaft, so that it rests snugly at the base, behind the balls. Thanks to the pleasing pressure of the ring, which amplifies what your body is already doing when you get an erection, you'll feel bigger and harder than ever.

A LITTLE ANAL PLAY

Lube up the butt plug in our bestselling BOOTIE S shape and enter anal pleasure heaven. You'll get to enjoy a delicious feeling of fullness while the curved plug grazes your prostate. The narrow, flexible base fits snugly and easily between your cheeks, letting you change positions in comfort.

SOMETHING EXTRA

As a bonus, the smooth silicone ridge that connects the plug and the ring massages the sensitive perineum which is full of nerve endings and erectile tissue while you play.

STIMULATING MOTION

As you move, your motion will tug gently on the toy, sending waves of pleasure from the base of your penis to your prostate.
