Product description

More intensity, stronger erections, deeper pleasure! The BOOTIE RING fuses the power of a cock ring with the deep, rhythmic pleasure of an anal plug – delivering harder, longer-lasting erections by temporarily slowing the blood flow. The flexible silicone ring fits snugly around the penis and testicles, while the ergonomic, curved plug teases the prostate with every movement. With a diameter of 1.1 inches and a length of 5.8 inches, the plug is also perfect for anyone looking to explore anal pleasure at their own pace.

Pleasure that builds with every thrust
Whether solo or with a partner, every motion amplifies the sensation. The ring enhances your erection while the plug delivers deep, rhythmic stimulation. Its flat base stays securely between your butt cheeks, so you can change positions effortlessly. Meanwhile, the pressure points on the plug lead to stronger erections, while the raised curve is ideal for perineum stimulation.

Comfortable, secure, and incredibly exciting
Made from body-safe silicone and 100% waterproof, the BOOTIE RING is soft, flexible, and easy to use. Its smart design ensures a perfect fit – no matter how wild things get. Use water-based lube for a smooth and effortless glide! Enjoy long-lasting quality backed by FUN FACTORY’s impressive 25-year warranty.
