Product description

Feeling adventurous and craving something new? The LIBERA Air Pulse vibrator unlocks a world of intense sensations, deeply arousing you without direct contact – all thanks to its patented Air Pulse technology, which stimulates your clitoris touch-free. Unlike regular vibrations, the air pulses encourage circulation and pleasure you without overstimulating the clitoris, imparting thrilling sensations reminiscent of oral sex. With 11 unique settings, this sleek, ergonomic love toy delivers explosive orgasms and ensures a perfect fit. Whether you're after soft teasing or seeking a powerful climax, the LIBERA’s heart-shaped, innovative design makes every experience intense and exhilarating.

The art of seduction
To fully enjoy your Air Pulse vibrator, apply a water-based lube and gently spread the outer areas to reveal your clitoris. Position the LIBERA such that the soft opening gently encloses your clitoris, ensuring you can control the toy with your thumb, index, and middle fingers. Then, use the intuitive controls to explore the 11 different settings and immerse yourself in the intoxicating sensation. Enter the “Garden of LIBERA”!

Perfectly tailored to your pleasure
Made from high-quality materials like body-friendly silicone and durable ABS, the LIBERA offers a luxurious and long-lasting experience. And cleaning up is a breeze: simply wash the love toy with water and mild soap. But be sure not to let water enter the canal and avoid using brushes to protect the sensitive membrane. The LIBERA is fully waterproof (IPX7) and rechargeable via USB-C – perfect for taking it with you wherever you go, whether in the shower, tub, or on the go. Enjoy long-lasting quality backed by FUN FACTORY’s impressive 25-year warranty. Play free, play wild – only with LIBERA!
