MANTA - Vibrating Stroker

YOU DONT KNOW WHAT YOURE MISSING!

Toys made for penises are often enormous, ugly, and awkward to use with a partner. The sleek, easy-to-handle MANTA is designed to be perfect for partner sex as well as solo play, sliding between your bodies and basically turning your penis into a vibrator. It's also an amazing blowjob accessory, circling the back of the penis for a deep-throat feel. Don't forget about solo play! The MANTA's ridges hold lube, for a better stroking sensation.

A MEN'S TOY FOR TWO
The MANTA is designed for anyone with a penis, and it really shines as a couples toy. Holding it between you during intercourse lets you both feel the vibration. It turns a blowjob master into a blowjob PhD. Where standard strokers can be way to big or just plain ugly to enjoy together, you'll be happy to give this stylish toy a starring role in your sex life.

PLAYING SOLO
This toy isn't just for twosomes! The MANTA is also ideal for upping your masturbation game. Its ergonomic shape lets you stroke comfortably, and the wand-style design means that the vibration will be getting you off, not numbing your hand.

FIND YOUR FAVORITE SPOTS
The MANTA is great for targeted vibration as well as stroking. Try holding it over and under the head, along the shaft, and against the base. See what you love!

VIBRATION FOR TWO
Pick a position that lets you hold the MANTA between you. It's great when your partner is on top! You'll both feel the vibration intensely.

BJ BLAST-OFF
Push the lubed-up MANTA back to the base of the shaft for an extra-sensational blowjob. The extra coverage feels like a deep-throat BJ that vibrates!
