Price	**100.21 £**
Number	**70138304**
Producer code	**FETISHID-233464**
EAN	**4032498802558**

Product description

An orgasm dream for clit AND G-spot.

MiSS Bi DER Vibrator combines phenomenal clitoris stimulation with arousing vibrations directly on your G-spot. The two separately adjustable motors are guaranteed to get you to your climax! After an intensive developmental phase and numerous tests, we created a shape that is both flexible and fine-tuned to please the female anatomy. The curved tip massages the G-spot when fully inserted, while the flexible and wide extension vibrates against your clitoris and labia. The thicker lower end of the toy enriches the experience by providing a pleasant feeling of fullness.

- Perfect grip thanks to the LOOP handle
- Raised buttons for comfortable control
- Can be programmed to start on your favorite setting
- Key lock for travel
- Also safe for anal play
- QuickSTOP via the FUN button
- Battery charge indicator
- Rechargeable
- 100% waterproof
- Medical grade silicone
- Made in Bremen/Made in Germany

MiSS Bi Double the FUN. For your climax.

Orgasm guaranteed! Motor 1 in the clitoris stimulator and motor 2 in the compact toy shaft will send your clitoris, G-spot and vagina into waves of ecstasy. Decide which combination of vibration speeds and patterns you prefer and have MiSS Bi store it at the touch of a button.

MiSS Bis curved silicone shaft and extremely flexible extension fit the female body like a tailor-made glove. Once its inserted, the G-spot, labia and clitoris are stimulated simultaneously. A word of advice: show your partner what MiSS Bi does for you. Hell be hooked!

Bright in color, her silhouette is seductive, with ladylike curves. MiSS Bi sweeps you away to the wild 50s, where billowing petticoats symbolize newly discovered femininity and the air is thick with the rebellious power and irresistible sex appeal of rock and roll.

Above all, MiSS Bi is reliable and simple to use, so that you can let your mind wander to places of fantasy and discovery. Designed with usability in mind, the two powerful yet quiet motors are intuitively controllable via the three raised buttons on the PRESS FUN TO PLAY control unit. Even with lots of lubricant, the toy rests safely and ergonomically in the hand simply place the index finger through the LOOP handle. A key lock, QuickSTOP function and battery level display top off this impressive German product. MiSS Bi is rechargeable, 100% waterproof and also safe to use in anal play. The hypoallergenic medical grade silicone is easy to clean and guaranteed softener-free.

17 cm and Ø 4,18 cm; 205 g
