MANTA - Vibrating Stroker

YOU DON'T KNOW WHAT YOU'RE MISSING

It's also an amazing blowjob accessory, surrounding the back of the penis to achieve a deep throat sensation. Don't forget the solo game! MANTA's ridges contain lubricant, for a better sensation of caresses.

A MAN'S TOY FOR TWO
The MANTA is designed for anyone with a penis, and it really shines as a couples toy. Holding it between you during intercourse allows you both to feel the vibration. Turn a blowjob master into a blowjob PhD. Where standard strokes may be too big or just plain ugly to enjoy together, you'll be happy to give this stylish toy a starring role in your sex life.

PLAY SOLO
This toy is not just for couples! The MANTA is also great for upping your masturbation game. Its ergonomic shape lets you stroke comfortably, and the wand-style design means the vibration will get you going, not numb your hand.

FIND YOUR FAVORITE PLACES
The MANTA is excellent for specific vibration and stroking. Try to hold it above and below your head, along the shaft and against the base. See what you love!

VIBRATION FOR TWO
Choose a position that allows you to hold the BLANKET between you. It's great when your partner is on top! Both of you will feel the vibration intensely.

BJ TAKEOFF
Push the lubricated MANTA back into the base of the shaft for an extra sensational blowjob. The extra coverage feels like a vibrating deep throat blowjob!
