- White control unit

In fresh green, gentle candy rose or punchy neon orange, PATCHY PAUL, with a total of 12 vibration programs ensures with its decisiveness and flexibility for new impulses in your love life like never before ? whether on a solo tour or with a partner. The ergonomic control unit with the LOOP, the little cutout in the handle, rests perfectly in the users hand. The index finger is looped through the silver ring to hold it, then the toy rests in the palm and the three touch buttons of the PRESS FUN TO PLAY controls can be intuitively controlled with the thumb. Navigating is then easy and comfortable with the + and ? buttons. The red FUN button starts and stops PATCHY PAULs amorous discovery tour with just one click.

The powerful motor is designed to allow direct energy transfer into the silicone shaft. The intense vibrations are distributed without any drop in strength throughout the entire shaft right to the tip of the toy. A battery level display ensures that PATCHY PAUL doesnt run out steam at just the wrong moment. The QuickSTOP function using the FUN button stops any secret adventures in half a second. Plus the key lock means the PATCHY PAUL can leave home, traveling the world discreetly in a handbag or suitcase. He loves vacations on the beach where this waterproof vibrator can be completely submerged and promises thrills under the waves. So just let yourself go; with the PATCHY PAUL you will conquer the peak of passion. Whether climbing mountains or riding the waves, PATCHY PAUL is the right partner for intimate and intense moments.

And the best part ? he is just as diverse in his play as he is reliably in the know about what every woman wants. Time and time again!
