RYDE wastes no time! The first crushing dildo from FUN FACTORY is suitable for both external massage and penetration stimulation: this hot combination makes **RYDE** the new essential for every dildo lover. With the well-known FUN FACTORY quality, this toy will guarantee the ultimate climax. The pleasantly smooth surface, the stimulating ridges, the unique design and the base with suction function offer everything you need for a good session. **RYDE** fulfills all wishes and invites you to let yourself be carried away by your fantasies.

WAYS TO PLAY WITH RYDE

- **BUSH UP PLEASE:** **RYDE** is ideal for getting creative with the harness. The combination of angle and flexibility allows for simultaneous vaginal and anal penetration. ;nea.
- **EXCITING MESSAGE:** Sitting between the two axes, **RYDE** massages the sensitive area between the anus and vagina, as well as the such as the external clitoris. The intensity and speed of stimulation can be determined by moving back and forth.
- **HANDS-FREE FUN:** The **RYDE** base sticks to smooth, flat surfaces. Therefore, this dildo can also be used with the hands free. iPerfect for riding and giving you pleasure!

We make toys that maximize your freedom and possibilities during play, so that your sexual imagination has no limits. We also make our toys sustainably, so that your mind is free. Free to focus on FUN. **RYDE** is the embodiment of these philosophies, with a completely new design that leaves nothing to be desired. The soft outer surface and rough interior of **RYDE** offer a variety of sensations, no matter how you use it. Like all of our dildos, it is ethically made in Bremen, Germany,

with 100% body-friendly materials. Our premium hallmarks are the red sole and the shiny FUN FACTORY metal button on the base. Our toy is not only a pleasure for the body, but also for the eyes. .
